ELECTION COMMISSION OF INDIA

NIRVACHAN SADAN, ASHOKA ROAD, NEW DELHI -110001

No.23/AERO/2022-ERS

Dated: 7th November, 2022

To,

The Chief Electoral Officers of all States & UTs

Subject: - Appointment of dedicated AEROs-regarding.

I am directed to refer the subject cited and to state that Commission's endeavor has always been to keep the electoral roll updated and error free, which forms a basis for free, fair and inclusive elections. Accordingly, the electoral roll is updated regularly through the Annual Summary Revision and continuous updation is done with focus on the registration of new/prospective electors. In spite of all efforts, it has been observed in the past that the registration of young electors in age group of 18-19 was not at the desired level.

2. The Commission, having considered all the factors relating to such low registration of young electors, especially in the age group of 18-19 and pivotal role of educational institutions where the majority of these voters are found, has directed that an AERO dedicated for this purpose shall be appointed/assigned to each assembly constituency, to make targeted efforts for registration of prospective electors at level of recognized educational institutions within the area of his assembly constituency broadly on the lines as enumerated below:

(i) AERO shall hold regular meetings with Electoral Literacy Club (ELC) of the educational institutions falling under the jurisdiction of his assembly constituency and make them aware about process for enrolment and timelines to file application for registration. During such meetings/correspondence with Electoral Literacy Club (ELC) of educational institutions, an account of number of young prospective electors should be obtained to get a realistic data of such persons.

(ii) AERO shall organize Special camps during revision activities in the educational institutions, to create awareness about the elector's registration process and also encourage them to file the advance claims for registration as electors through online portals like NVSP/VHA/VP etc.

(iii) AERO shall encourage online submission of Forms, whereas in those cases where online submission of applications is not possible due to poor internet penetration or otherwise, the AERO will make efforts to get Form-6 submitted by the applicant through physical mode of application. The applications received in physical Form-6 and pertaining to his/her constituency will be digitized and processed. As the number of students in an educational institution may not belong to the AC of AERO concerned, physical forms of such applicants will be digitized and sent to concerned ERO through ERO NET for further necessary action. For the purpose, a login ID will be provided to AERO.

(iv) AERO shall maintain institution wise quarterly data of all such forms processed from the campuses of educational institutions. This would help in analyzing the percentage of registration against the eligible applicants and devise the strategy to target the unrolled applicants.

4. Compliance report of having appointed such AEROs for the above mentioned purposes and their joining should be sent to the Commission by 15th Nov, 2022.

Yours faithfully,

(PAWAN DIWAN)
